If you still need an item that is due for return you may renew it. You may renew items:

- via MyDiscovery;
- by telephone (+39 0583 4326701/702);
- by email (lib@imtlucca.it).

**Items may be renewed up to 2 times if no one requests them.** After the second renewal, you need to bring them to the desk to renew them for a third time.

 Reserving items

If an item you need is already out on loan, you may reserve it. When it is returned we will keep the item at the desk for you to collect.

To reserve an item, login to your MyDiscovery account and search the Library catalogue for the item. Once you have found the record, click on "Reserve". You will receive an email when the item is available.
Interlibrary loan and Document Delivery

**InterLibrary Loan (ILL)** is a borrowing service you can use to obtain books that are not available in the collection of the IMT Library. **Document delivery (DD)** provides the same service for articles and book chapters. This service is free of charge.

**TO REQUEST A BOOK:**
Send an email to ildd@imtlucca.it, providing accurate and complete bibliographic data (title, author, year of publication).
You can **borrow up to 3 books at a time**.
The average time to obtain requested items is 10 days. Please note that some documents may take longer.

*When the item arrives, we will notify you by e-mail. The loan period lasts approximately 20 days.* If you would like to extend your interlibrary loan, please remember to ask us at least 1 week before the due date.

**TO REQUEST AN ARTICLE OR A BOOK CHAPTER:**
Place requests using **NILDE** at [https://nilde.bo.cnr.it/](https://nilde.bo.cnr.it/) (personal registration is required).

### NILDE: LOGGING IN
To access, registration is required.
To register, click on “Registration area” and follow the instructions.
We recommend you to register using your Institutional IDEM-GARR account.

### WHY USE NILDE
With NILDE you can:
- submit requests for journal articles or book chapters to our library;
- **obtain a printed version of your requested documents** in approximately 2 working days;
- check the status of your requests;
- tag and classify your documents using NILDE reference manager.

Our staff will process your request ASAP, usually within 24 hours (weekends and holidays excluded). **Copies obtained via NILDE are yours to keep.**
Purchase requests

The Library welcomes purchase requests from faculty and students for the Library collection.

Requests must be submitted by email to the library (lib@imtlucca.it), CCing your track manager.

We also accept requests for new subscriptions to journals or databases. These requests need the final approval of the Library Committee.

Please check our catalogue and Ebsco Discovery Service before placing ILL, DD or purchase requests: the item you need may already be available in our collection.

FACILITIES

IT and printing facilities

The Library has two PC workstations, which provide access to our catalogue and to our subscriptions in full text.

Wireless connection and power strips are provided for those wishing to bring in their own laptops. Please do not leave trailing wires, which would create a trip hazard for other library users.

Xerox machines and printers are available in the Library. We kindly ask you to print on both sides of the paper (when possible), and to respect the limit of 15% for each volume or publication, set by the Italian copyright law regarding the reproduction of published materials.
**Studying in the Library**

Access to the library’s main floor is open to both internal and external users.

IMT students have private access to some areas:

- **Third floor**: this area is entirely reserved for PhD students. You may ask the library staff to assign you a personal drawer.

- If you need an office where you can study in pairs or individually, you can use one of the **4 PhD Shared Offices** located on the **first and second floor** of the library. To get a key, you have to register at the library desk.

- The so-called “crypt” is the oldest room in the library. It is located on the **ground floor** and is for internal staff use only. You can request and book its use for group work or meetings.
General rules of conduct
We kindly ask you to:

❖ be considerate of those working around you: avoid speaking loudly and keep your conversations to a minimum;
❖ do not listen to music or watch videos without headphones. Also, sound from headphones must be inaudible to others;
❖ take care of all Library materials and equipment;
❖ keep your belongings with you at all times.

If an accident happens during closing hours, you can find a first aid kit in the restroom on the ground floor (the key is on the box).

You can find the security service’s telephone number and the security plan of the building on the notice board at the entrance.
