

PSYCHOLOGICAL PACKAGE (new active trial)

What's inside

The package includes the following databases:

- APA PsychInfo (more than 4 million bibliographical records in psychology and behavioral science);
- APA PsychArticles (fulltext access to APA publications)
- Psychology & Behavioral Science Collection (full text of selected journals)

How to access

Direct links to databases (EbscoHost interface):

[APA PsycArticles](#)

[APA PsycInfo](#)

[Psychology and Behavioral Sciences Collection](#)

It's also possible to search within all three databases at the same time by clicking on "Choose database":

The screenshot shows the EbscoHost homepage search interface. At the top, there is a dark blue navigation bar with links for 'New Search', 'Subjects', 'Publications', 'Images', 'Indexes', 'Sign In', 'Folder', 'Preferences', 'Languages', and 'Help'. The main content area features the IMT Scuola Alti Studi Lucca logo. Below the logo, there is a search bar with the text 'Searching: APA PsycArticles, Show all Choose Databases' and a 'Search' button. A 'Reset' button is located in the top right corner of the search options section. The search options section includes 'Search Modes and Expanders' with radio buttons for 'Boolean/Phrase', 'Find all my search terms', 'Find any of my search terms', and 'SmartText Searching'. There are also checkboxes for 'Apply related words', 'Also search within the full text of the articles', 'Apply equivalent subjects', 'Full Text', and 'Peer Reviewed'.

Databases are also indexed in the Discovery tool of the library.

Search features

1. Simple search by keyword (journal, book, article, author...)
2. Advanced search, where you can combine more keywords with Boolean operator and you can limit your research:

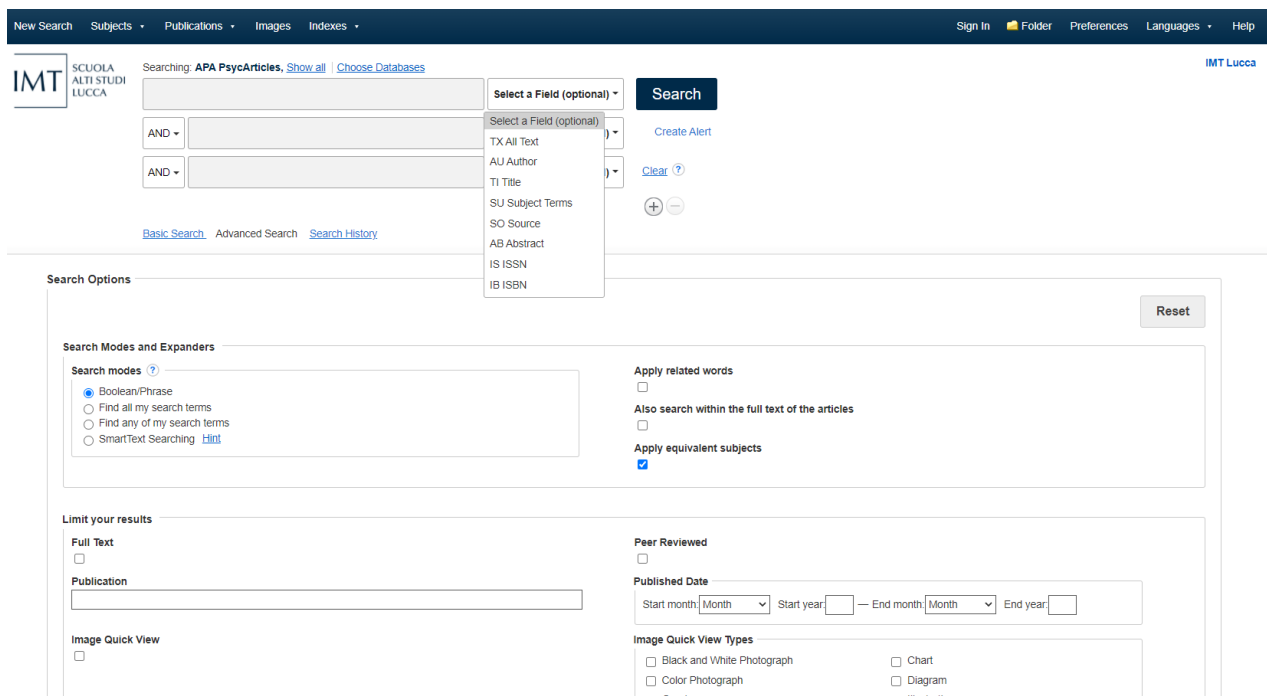

Fig. 3. Advanced search

3. Special tabs:

- **Subjects:** you can browse specific databases subject list (also the APA Thesaurus of Psychological Index Terms);
- **Publications:** you can browse the list of publications included in databases and their volumes and issues;
- **Images:** you can search within articles' images;
- **Indexes:** you can browse a list of indexes such as authors, affiliations, date of publications and sources.
